COMPANY OVERVIEW

Body Chiselers is a commercial supply and procurement company based in Vancouver, British Columbia. We source goods for businesses, institutions and public-sector buyers across Canada and North America, with Canadian and US sourcing, through a single point of contact.

CORE CAPABILITIES

**Safety & PPE**

Personal protective equipment and site safety supplies, sourced to the standards and sizes your workplace specifies.

**Office & Workplace Supplies**

Everyday office, breakroom and workplace consumables, consolidated into one order and one invoice.

**Furniture & Fixtures**

Office, institutional and site furniture for new spaces, refreshes and replacements, quoted as one package.

**Fitness & Recreation Equipment**

Commercial fitness and recreation equipment for workplaces, institutions and community facilities.

**Industrial & MRO**

Maintenance, repair and operations supplies, from tools and fasteners to material handling, for facilities and job sites.

**IT & Technology Accessories**

Peripherals, cables, mounts and workspace technology accessories matched to the equipment you already run.

**Traffic & Site Safety**

Traffic control and site safety equipment for roadwork, events and facilities, sourced to the specification your project calls for.

DIFFERENTIATORS

Single-point sourcing

One contact and one quote across safety, industrial, office, IT, furniture, traffic and recreation requirements.

North American sourcing

We source from Canadian and US suppliers to match your specification, budget and timeline.

Canada-wide delivery

Orders coordinated to your site, wherever it is in Canada, with delivery timed to your schedule.

Public-sector ready

Registered supplier on BC Bid, with a capability statement and business details ready for your vendor file.
